

STURGES® engineered straps
& webbing

REGISTERED TO
ISO 9001

Government/Military

Our years of experience making straps to tight tolerances give our customers the confidence they need for government inspectors. Some solutions we have developed recently are:

- Extremely high strength-to-weight ratio webbings
- Blast and fire resistant straps and webbing
- Energy absorbing webbings for cargo control and safety barriers
- Munitions handling and unloading straps

We welcome the chance to work on unique and challenging opportunities.

Why Sturges?

- Complete in-house test lab
- Vertically Integrated
- Berry Amendment Compliant webbing
